- **Extended deadline:** April 30, 2026

Information:

The **International Research Projects Office (OFPI)** makes available to researchers at the **University of Granada (UGR)** the Expression of Interest (EOI) service for those who wish to act as supervisors in the **MSCA Postdoctoral Fellowships 2026 (MSCA PF 2026) call**.

This procedure allows UGR researchers to express their interest in publishing their research lines in view of the upcoming **Marie Skłodowska-Curie Postdoctoral Fellowships 2026 call**.

The aim of this service is to support UGR researchers who do not yet have a candidate, facilitating the dissemination of their research lines to attract potential applicants interested in submitting a proposal under their supervision.

What should you do if you are interested?

If you would like to look for candidates to act as supervisor of MSCA postdoctoral fellows, you must send the EOI template (as Word file) duly completed in English to promofpi@ugr.es **before 30 April**.
