Desde la Oficina de Proyectos Internacionales les informamos que la Red de NCPs de Energía de Horizonte 2020 organiza un **Brokerage Event para los topics de Energía de la convocatoria del Green Deal el día 21 Octubre de 14.00 a 15.30 CEST.**

Información:

Horizon 2020 Green Deal - Call topics covered by this online brokerage:

- **LC-GD-2-1-2020:** Innovative land-based and offshore renewable energy technologies and their integration into the energy system.
- **LC-GD-2-2-2020:** Develop and demonstrate a 100 MW electrolyser upscaling the link between renewables and commercial/industrial applications.
- **LC-GD-2-3-2020:** Accelerating the green transition and energy access Partnership with Africa.
- **LC-GD-4-1-2020:** Building and renovating in an energy and resource efficient way.

The purpose of the online brokerage is to:

- Present a brief overview of the Call topics.

- Give organisations an opportunity to find partners through a 3 minute pitch (template will be provided).

The registration form can be found [here](#).

If you are interested in delivering a pitch, please select the “pitch” option on the registration form.

- Pitches will be allocated to those with a proposal idea first and then to those seeking to present their organisation as a potential partner.
- Those wishing to attend to hear the pitches should select the “listen” option on the registration page.

The event will be recorded.

The template for the pitch will be sent to those registered to deliver a pitch. It must be completed and submitted to the organiser at mail@euenergyfocus.co.uk by **17.00 CEST on Monday 19 October at the latest.**
