Les compartimos la invitación a esta competición para investigadores Marie Curie por si fuera de vuestro interés.

We cordially invite you to take part in the Falling Walls Lab MSCA competition, which will take place fully online on **29 September 2020**.

The event is organised by the European Commission with the support of the German EU Council Presidency.

During the event, 20 MSCA fellows from all disciplines will pitch in 3 minutes each – their research topic, innovative project or idea showcasing a breakthrough that creates a positive impact on science and society in front of their peers and a distinguished jury from academia and business.

We are looking for ongoing MSCA fellows to participate in the competition online: are you up for the challenge?

The finalist will be able to join the growing Falling Walls community of emerging

innovators & win a spot in the global Falling Walls Lab showcase!

Applications can be submitted via the link below. **The application deadline is 15 July 2020.**

If your application is successful, the European Commission will contact you and organize your participation through its contractor.

If you have any questions, please do not hesitate to contact us by email:
