

LIFE launches 2016 call for action grants: more than €330 million available

20/07/2016

Convocatorias

The **LIFE programme** launched **two calls** for **proposals**, underlining its commitment to supporting **projects** that protect the **environment** and tackle the impact of **climate change**.

The **2016 call** for **action grants** for the **LIFE programme** was launched on 19 May 2016 and **covers** proposals for both **environment** and **climate action** sub-programmes.

The total **budget** for project **action grants** for this call is **€337 536 184**. Of this amount, **€273 936 184** has been allocated to the sub-programme for **environment** and **€63 600 000** has been allocated to the sub-programme for **climate action**. At least **55%** of the environment allocation will be dedicated to projects supporting the **conservation** of **nature** and **biodiversity**.

Innovations in the **2016 call** concern **Traditional LIFE projects**. These include more emphasis on **sustainability** and **replicability** and more **attention** to **second phase projects** and the **relation** with other **projects** financed by **LIFE**.

Both summaries and **full details** of all new features of the **2016 call** are included in the **application guides**.

For **further information** about the **2016 call** for action grants, go to the **2016 call page** on the **LIFE website**.

Applications are welcomed from **public bodies**, private **commercial organisations** and private non-commercial organisations (**NGOs**).

The **Executive Agency for Small and Medium-sized Enterprises** (EASME) is organizing an **international Information Day** to meet all Brussels based **stakeholders** and **interested parties** to explain everything you need to know to **prepare** and **submit** a **successful LIFE proposal**.
