## Brokerage event convocatoria 2017 - Birmingham, 15 de junio

26/04/2016

Actividades

Se informa sobre el **evento de networking y búsqueda de socios** para las **convocatorias NMP** de 2017 organizado por la **Enterprise Europe Network** y los **NCPs de UK e Irlanda** el próximo **15 de junio** en **Birmingham**.

This is a **free** one- day **event** that will introduce the **calls for proposals in 2017**, present insights and expectations from the **European Commission**; and offer a unique **international networking experience** to forge the **winning partnerships** of the future. The programme will include **presentations** from the European Commission and its **evaluators** and an opportunity to pitch your **expertise** in front of **leading research organisations** and cutting-edge innovators from across industry.

The afternoon **brokerage event** will allow you to **expand** your **international network** and create strong **consortia** through scheduled **one-to-one meetings**. Participants will also have the opportunity to meet with **National Contact Points**, the Knowledge Transfer Network, Innovate UK and the **Enterprise Europe Network**.

The **event** will target upcoming **calls** in the following thematic **fields**: Advanced Manufacturing and Processing (**NMP**); **Nanotechnologies** and Advanced Materials; Factories of the Future (**FoF**) & **ICT Robotics**; Energy-efficient Buildings (**EeB**); Sustainable Process Industries (**SPIRE**); Bottom-up topics (**Fast Track to Innovation**)

, **SME Instrument**).

### **Why register?**

**Improve** your **chances** of **success** by understanding the main **issues** and expectations for 2017 based on **feedback** from previous rounds of calls. **Raise** your **profile** and showcase your **ideas** in thematic “**pitch sessions**” delivered directly to a targeted European audience. Meet with **future project partners** from industry and **research** at our pre-arranged one-to-one meetings.
