

E-mobility stakeholder forum conference programme; 25th & 26th May 2016, Brussels

26/04/2016

Actividades

Projects **FREVUE**, **I-CVUE** and **ZeEUS**, together with the **European Commission**, are glad to invite you to the 4th edition of the **EU Electromobility Stakeholder Forum**. This key e-mobility event will offer **2 days of learning, discussions and networking**. A range of **electrifying topics** will be covered from urban design opportunities, multimodal and interoperable charging infrastructure, operational impact of electric vehicles right through to results achieved so far.

The **event** is **free** of charge and **registration** is **mandatory**. In order to **register**, click on the **web** (Register button).

You can **download** the draft **agenda** [here](#).

Are you involved in an interesting **electromobility project** that you would like **show** to other **Stakeholder Forum attendees**? We invite you to **participate** in the call for **posters**. To **submit** a **poster proposal**, please complete the **LINK: application form ->**

https://gallery.mailchimp.com/1f10178893f659fdf953a7ea6/files/APPLICATION_FORM

and **send** it to **Marta Van den Bergh** (
