## Beca Post-doctoral - AXA Research Fund

16/10/2014

Convocatorias

Becas post-doctorales de la Fundación AXA para jóvenes investigadores.

**Post-Doctoral Fellowships - AXA Research Fund** The Junior Research Fellowship (aka Post-Doctoral) funding is granted for a fixed duration of 24 months, for a maximum total of €120 000. To apply for these fellowships, host institutions must be registered in the AXA Research Fund's database and located within the geographical scope below. The AXA Research Fund does not accept unsolicited applications from individual applicants. The AXA Research Fund does not place restrictions on the nationality of the Junior Research Fellow. More information here: [Post-Doctoral Fellowship](#)
