A partir de aquí el texto aparece en inglés:

Important dates:

- **Original deadline:** March 27, 2026
- **Extended deadline:** April 30, 2026

Information:

The **International Research Projects Office (OFPI)** makes available to researchers at the **University of Granada (UGR)** the Expression of Interest (EOI) service for those who wish to act as supervisors in the **MSCA Postdoctoral Fellowships 2026 (MSCA PF 2026) call**.

This procedure allows UGR researchers to express their interest in publishing their research lines in view of the upcoming **Marie Skłodowska-Curie Postdoctoral Fellowships 2026 call**.

The aim of this service is to support UGR researchers who do not yet have a candidate, facilitating the dissemination of their research lines to attract potential applicants interested in submitting a proposal under their supervision.

What should you do if you are interested?

If you would like to look for candidates to act as supervisor of MSCA postdoctoral fellows, you must send the EOI template (as Word file) duly completed in English to promofpi@ugr.es **before 30 April**.

- EOI Template MSCA PF 2026 (docx)

If you already have a candidate

If you have already selected your candidate and, as a supervisor, do not wish to receive additional applications, you can send us directly the **application form & letter of Commitment**, signed by both parties:

- Application form & letter of commitment MSCA PF 2026 (docx) (must be signed by both the supervisor and the researcher)

Dissemination of EOIs

The Expressions of Interest received will be published on:

- OFPI-UGR website 2026 (coming soon)
- EOI archive (you can consult the EOIs from previous years)
- Euraxess website
- MSCA matchmaking platform
