2026 Call | List of UGR Supervisors:

Research lines of UGR researchers interested in acting as supervisors for the Marie Sklodowska-Curie Postdoctoral Fellowships 2026 call. Below is a list of available supervisors at the UGR, categorized by research area:

Chemistry (CHE):

- Department of Analytical Chemistry
- Department of Chemical Engineering
- Department of Chemical Engineering
- Department of Civil Engineering
- Department of Inorganic Chemistry
- Department of Inorganic Chemistry
- Department of Inorganic Chemistry
- Department of Microbiology

Economic Sciences (ECO):

- Department of Applied Economics
- Department of International and Spanish Economics
- Department of International and Spanish Economics
- Department of International and Spanish Economics
- Department of International and Spanish Economics

Environment and Geosciences (ENV):

- Department of Applied Physics
- Department of Chemical Engineering
- Department of Chemical Engineering
- Department of Civil Engineering
- Department of Civil Engineering
- Department of Contemporary History
- Department of Ecology
- Department of Ecology
- Department of Genetics

- Department of Microbiology
- Department of Microbiology
- Department of Stratigraphy and Paleontology
- Department of Philosophy I
- Department of Physical Education and Sports

Information Science and Engineering (ENG):

- Department of Civil Engineering
- Department of Computer Languages and Systems
- Department of Computer Science and Artificial Intelligence
- Department of Computer Science and Artificial Intelligence
- Department of Computer Science and Systems
- Department of Didactics and School Organisation
- Department of Electromagnetism and State Matter Physics
- Department of Electronics and Computer Technology
- Department of Electronics and Computer Technology
- Department of Electronics and Computer Technology
- Department of Electronics and Computer Technology
- Department of Electronics and Computer Technology
- Department of Signal Theory, Telematics and Communications
- Department of Signal Theory, Telematics and Communications
- Department of Signal Theory, Telematics and Communications
- Department of Signal Theory, Telematics and Communications
- Department of Signal Theory, Telematics and Communications
- Department of Signal Theory, Telematics and Communications
- Department of Software Engeneiring
- Department of Software Engeneiring
- Department of Sport and Health
- Department of Statistics and Operation Research
- Department of Physiotherapy
- Department of Political Science

Life Sciences (LIFE):

- Department of Analytical Chemistry
- Department of Biochemistry and Molecular Biology I
- Department of Biochemistry and Molecular Biology II
- Department of Biochemistry and Molecular Biology II
- Department of Biochemistry and Molecular Biology II
- Department of Bioquímica y Biología Molecular III e Inmunología
- Department of Cell Biology
- Department of Computer Science and Artificial Intelligence
- Department of Ecology
- Department of Electronics and Computer Technology
- Department of Experimental Psychology
- Department of Experimental Psychology
- Department of Experimental Psychology

- Department of Genetics
- Department of Human Anatomy and Embryology
- Department of Inorganic Chemistry
- Department of Pharmacology
- Department of Physiology
- Department of Physiology
- Department of Physiology
- Department of Physiology
- Department of Physiotherapy
- Department of Microbiology
- Department of Microbiology
- Department of Microbiology
- Department of Nursing
- Department of Statistics and Operation Research
- Department of Structural Mechanics and Hydraulic Engineering
- Department of Sport and Health

Social Sciences and Humanities (SOC):

- Department of Applied Economics
- Department of Civil Law
- Department of Criminal law
- Department of Contemporary History
- Department of Computer Languages and Systems
- Department of Contemporary History
- Department of Didactics of Experimental Sciences
- Department of Didactics of Experimental Sciences
- Department of Didactics and School Organization
- Department of Didactics and School Organization
- Department of Didactics and School Organisation
- Department of Drawing
- Department of Ecology
- Department of English and German Philology
- Department of English and German Philology
- Department of Experimental Psychology
- Department of Experimental Psychology
- Department of Experimental Psychology
- Department of Nursing
- Department of Marketing and Market Research
- Department of Modern and American History
- Department of Translation & Interpreting
- Department of Philosophy I
- Department of Physical Education and Sports
- Department of Prehistory and Archaeology
- Department of Political Science
- Department of Public International Law and International Relations

Mathematics (MAT):

- Department of Signal Theory, Telematics and Communications

Physics (PHY):

- Department of Applied Physics
- Department of Electromagnetism and State Matter Physics
- Department of Electronics and Computer Technology
- Department of Signal Theory, Telematics and Communications
- Department of Structural Mechanics and Hydraulic Engineering
